DUES

The Board of Directors would like to thank those who have renewed their membership in the only night time parade Krewe on this west side of the river!

Many members renewed their membership after receiving the renewal form citing the dues. The dues outlined on the form were not as defined so many of our members "over paid." If you are one of those members who over paid their dues, we will apply the overage to the cost of your "throws." We apologize for the oversight and have already begun correcting the form.

OPEN HOUSE

Our Krewe is excited about the floats that will be used in the parade this year. In fact, we are so excited the Board of Directors would like to invite you and your family to an open house to view the floats at the float den. We will have the floats on display for everyone to view. Light refreshments will be served. Krewe of Comogo is very proud of the accomplishment thus far. After only three years in existence, Krewe of Comogo has a float den and 13 floats! Thank you for making Brenda's dreams a reality.
